Marin Valentine's Ball Continues to Bring-out the Very Best of Marin!

San Anselmo, CA, February 13, 2014. The 18th annual Marin Valentine's Ball was held Saturday, February 8th at the Marin Civic Center. Close to 450 people attended this year's Ball, themed "Romance Under the Serengeti Stars," featuring cocktails, hors d'oeuvres, fine dining, dancing and auctions.

The Marin Valentine's Ball was founded in 1996 by the late Honorable Harold Brown, Jr., the longest-tenured supervisor in Marin County history. Hal was deeply committed to The Marin Valentine's Ball – each year he personally participated in engaging sponsors and gathering the Marin Community together in support of vulnerable children, families, older adults and the disabled.

This year's Ball honored Marin-based charitable agencies Sunny Hills Services, North Bay Children's Center, Whistlestop and The Godmothers of Timothy Murphy School, helping to ensure that each will continue to provide a unique component in a comprehensive network supporting, defending and caring for those in need.
